

NOW AVAILABLE WITH AN ARROW EMERGENCY ADDRESS SIGNS

from
Oak Hill Area Fire Safe Council

Dear Neighbor,

Your local Fire Safe Council is offering special address signs that are easy to find in the dark and under smoky conditions. Emergency services encourage residents to display house numbers on signs like these so police, fire, ambulance teams can locate your home quickly.

These signs have a reflective background and numbers that face one way or both ways. They are fire resistant, all metal with reflective-vinyl coating and should last a very long time.

Most of the cost goes to purchase materials. Assembly and delivery are donated by your neighborhood volunteer. Any remaining funds will support local wildfire prevention education.

This is a win-win situation. Suggested donation is \$30 for the sign and \$10 for the post. Here is what you get:

1. aluminum sign, 6"x18," covered in green vinyl;
2. white 3" vinyl numbers on one or both sides;
3. steel post and mounting hardware; and
4. delivery to your door.
5. an arrow if you want and where you want
